

Deputy Clifton Morgan
K-9 Harley
Macomb County Sheriff Office

On May 18, 2008 at approximately 0435 hours I was dispatched to area of 1 North River Road, Quality Inn Hotel, City of Mt. Clemens, MI, regarding track for suspect wanted for felonious assault. Suspect had stabbed several people and was last seen running north from the hotel.

K-9 Harley and I started our track near an open wooden gate located at the north end of the hotel. As the suspect had passed through this gate he had smeared the gate with blood. K-9 Harley tracked through the gate and into a courtyard area. Tracking through the courtyard we traversed a fence and continued across a street and then around a building. K-9 Harley tracked around the building and headed back toward the hotel's front door. K-9 Harley tracked to the front door of the hotel. We observed blood on the hotel front door as we passed through.

K-9 Harley continued his track inside the hotel lobby and to an interior stairway. K-9 Harley tracked up the stairs all the way to the fourth floor. K-9 Harley continued his interior track into the hallway and to the door labeled room 415. There was blood on the door handle, and more blood about six inches above the door handle.

Entry was made into this room and the suspect was located at the foot of the bed. Suspect had several wounds to his body. Suspect was taken into custody for felonious assault.
